Parent/Family Questionnaire

Student's name: _____

1. Please describe what is unique and wonderful about your child. In which areas are you looking forward to seeing growth?

2. Please describe your child's school experience(s).

3. What are you looking for in a school? What are your goals for your child?

4. Please describe any significant factors, which may affect your child's school performance (including educational testing results).

5. The Farm School and The Chicken Coop are inclusive environments that strive to not discriminate on grounds of race, class, gender, or sexual orientation. When these issues arise in the classroom, the teacher answers inquiries and tries to deal with them in a sensitive and thoughtful manner, while maintaining a non-discriminatory and accepting tone. All family structures and gender identities are considered normal. Do you for see any difficulties with this policy and your family?

6. We welcome any information you choose to share with us about your family, your family history, your lifestyle, your background, and any other factors that are strong influences on your child's life.
